Parker John’s BBQ & Pizza Owners Use SBA 504 to Purchase Fourth Restaurant Location in NE Wisconsin

The Small Business Administration (SBA) 504 program continues to offer loans for real estate, building and equipment, with historically low interest rates. Aaron and Jennifer Sloma, co-owners of Viand Hospitality, saw this as the perfect opportunity to expand their growing operation by adding a 5,344 SF location to their portfolio.
Everything Is Just Pleasant in Mount Pleasant for the Kennedy Family

Dr. Debbie Reddick Kennedy and her husband Marc were both born and raised in Chicago, and currently reside in the Village of Mount Pleasant. Debbie previously owned a dental practice in Chicago that she commuted to-and-from their home in Mount Pleasant for 19 years, before opening a practice in Racine.

Before moving to Mount Pleasant, neither Marc nor Debbie truly knew the open nature of the Racine County area, but now that they established their roots, they can’t imagine going back.

“When I go to Chicago now, I really want to come back home,” Debbie said. “I want the space and the green grass and the trees and the flowers. I just fell in love with the area.”
